

REMARKS

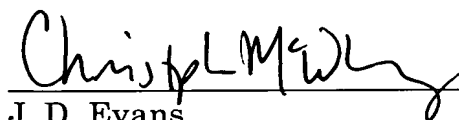

Entry of the amendments to the claims before examination of the application is respectfully requested. The certain new claims have been added to remove multiple dependencies, to provide proper syntax and to provide claims in proper form for U.S. prosecution. New claims 70-82 are directed to methods of treating or inhibiting an immunological disorder, infection or a cancer.

If there are any questions regarding this Preliminary Amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket # 029049.57806US).
